

ATTENTION CUCHARA AND SURROUNDING AREA RESIDENTS

- *Fire Mitigation Slash Collection* -

Wednesday, September 1st, 2021 (One collection day only!)

The Baker Creek Firewise Community will be accepting loads of slash at the “**USFS Slash Collection Lot.**” In an effort to reduce the wildfire hazard in our communities, homeowners in the Cuchara areas are invited to haul slash from their properties to this site. This opportunity is offered to property owners that live adjacent to, or in the communities adjacent to National Forest lands in the Cuchara areas.

Collection Date: Wednesday, 9/1/2021

Hours of Collection: 8:00am to 12:00pm

Collection Location: “Off Panadero Loop
Within the Panadero POA”

Materials Accepted: Slash and natural
woody debris only – no trash!

Each load will be evaluated – prior to unloading

The US Forest Service, San Carlos Ranger District, has graciously offered this site beginning this year for the collection day and will burn the piles next winter. *To help protect your national forest, these* **STRICT RULES MUST BE ADHERED TO:**

- Woody debris from your area property only
- Limbs & branches from firs, pines, oak & brush
- **NO: Lumber, weeds, grass, sawdust, stumps, wood chips or trash of any kind!**

- Please do not bring ground litter such as pine needles
- NO COMMERCIAL OPERATORS

(Contractors working for participating landowners are welcome)
